

# Mercedes 126

The Mercedes-Benz W126 is one of the brand's most successful and reliable S-Class models. Its clean, timeless design, high level of comfort, and durable engineering have earned it lasting respect to this day. In its era, it stood out for safety innovations such as ABS, airbags, and seatbelt pretensioners, which is why many consider the W126 to be one of the "last true" classic Mercedes models.
