- **Drive:** Front-wheel drive (FWD)
- **Electric motor:** Single electric motor on the front axle
- **Power output:** approx. ~140-150 kW (190-204 hp) (*varies by market*)
- **Acceleration 0-100 km/h:** ~8.5-9.0 seconds
- **Top speed:** ~160-180 km/h

Battery & Range

- **Battery type:** High-voltage lithium-ion battery
- **WLTP range:** approx. ~450-500 km (*depending on wheels, conditions, and configuration*)
- **Charging:**
- **AC charging:** up to ~11 kW
- **DC fast charging:** up to ~100-120 kW
- **Charging time (10-80%):** ~30-40 minutes on high-power DC

Efficiency

- **Energy consumption:** ~16-18 kWh / 100 km (WLTP)

Dimensions & Capacity

- **Length:** ~4,460-4,470 mm
- **Width:** ~1,840-1,860 mm
- **Height:** ~1,620-1,630 mm
- **Wheelbase:** ~2,729 mm
- **Cargo capacity:** ~340-380 L (expandable with rear seats folded)
- **Seating:** 5 passengers

Technology & Features

- Large central infotainment display with MBUX system
- Smartphone integration (Apple CarPlay / Android Auto)
- Advanced driver assistance systems (adaptive cruise control, lane assist, emergency braking)
- Regenerative braking with selectable modes

Declaration

- **Brutto weight:** 2055 kg
- **Brand:** Mercedes-Benz

Specification

- **Width:** 183.4
- **Length:** 446.3
- **Height:** 162
- **Üzemanyag:** Elektric
- **Gépkocsitípusok:** SUV
- **Power:** 190 LE
- **Range (km, WLTP):** 528 km
- **Modell:** EQA 250+
- **Door:** 4/5
