## Description

The Mercedes GLB 250 is a versatile compact SUV that blends practicality with luxury. Powered by a 2.0-liter turbocharged inline-4 engine producing around 221 hp and 350 Nm of torque, it delivers confident acceleration and smooth handling. Paired with either front-wheel drive or optional 4MATIC all-wheel drive and an 8-speed automatic transmission, the GLB 250 adapts easily to city streets or open highways.

Inside, the GLB 250 offers a spacious cabin with seating for up to seven passengers, depending on configuration, and flexible cargo space. High-quality materials, a modern digital instrument cluster, and the MBUX infotainment system provide both comfort and convenience. Advanced driver assistance features, including adaptive cruise control, lane keeping assist, and active brake assist, ensure safety for all occupants.
