Netto price: 25 000.0 EUR

Description

The Tesla Model 3 Premium RWD is a rear-wheel-drive version that offers a longer range and partially richer features compared to the Standard model. It is powered by a single electric motor, and the WLTP range can reach approximately 660 km, depending on wheel size and configuration.

This version has similar exterior dimensions: 4,720 mm in length, 1,933–2,089 mm in width with mirrors, 1,441 mm in height, and a 682-liter trunk. The weight is around 1,824 kg, and the modern Tesla infotainment system (15.4-inch central touchscreen) comes as standard across all variants.
